

## Custom Watercolor Illustration Guide

Custom and personalized artwork are a great way to create a keepsake of a special memory for yourself or as a unique and thoughtful gift. Here are a few items to think about when considering a custom piece.

What has special meaning to you or the person to whom you are giving the gift? Some ideas for custom artwork are:

- Beloved pet
- Family home or new house
- Vacation spot
- First date location
- Wedding bouquet
- Favorite flowers

**Photograph** · Choose a clear and accurate photograph as your custom piece will be based on the photo that you provide. Make note of any important details you want included or minor details that you would like omitted. If you would like assistance choosing between a few photos simply mention it in the order form and it will be addressed in the follow up email.

**Size** · Where you plan to display your painting will help you decide what size of painting to order. If your artwork will be on a shelf, then a smaller 5×7 inch might work well. In a wall grouping an 8×10 inch print will fit in nicely. You may want to consider an 11×14 inch painting if it will be hung alone or with fewer things.

**Prints** · If you would like to share a reproduction of the custom illustration with family or friends high quality prints can be purchased as well. The original illustration may not be copied. Cost of the prints- 5x7 \$15 8x10 \$25 11x14 \$35
